The falling leaves <sup>Gmi C7</sup> drift by my <sup>F B</sup> window.

The falling leaves <sup>Gmi A7</sup> of red and <sup>Dmi</sup> gold.

I see your lips, <sup>Gmi C7</sup> the summer <sup>F B</sup> kisses,

the sunburned hands <sup>Gmi A7</sup> I used to <sup>Dmi</sup> hold.

[chorus – B]

Since you went <sup>A7</sup> away the days grow <sup>Dmi</sup> long

And soon I'll hear <sup>Gmi C7</sup> old winter <sup>F D7</sup> song

But i miss you <sup>Gmi A7</sup> most of all my <sup>Dmi Dmi/C B</sup> darling

<sup>Gmi A7</sup> When autumn leaves <sup>Dmi</sup> start to fall

[solo kytara – A]

[chorus – B]

Since you went away the days grow long

And soon I'll hear old winter song

But i miss you most of all my darling

When autumn leaves start to fall
