Something Stupid

[Intro]

Am D7 Am D7 G

I know I stand in line until you
think you have the time to spend an evening with me
And if we go someplace to dance I know that there's a chance
you won't be leaving with me
And afterwards we drop into a quiet little place
And have a drink or two
And then I go and spoil it all by saying something stupid
like I love you

I can see it in your eyes that you despise the same old line
you heard the night before
And though it's just a line to you for me it's true
and never seemed so right before

I practice everyday to find some clever lines to say
to make the meaning come true
But then I think I'll wait until the evening gets late
And I'm alone with you
The time is right your perfume fills my head the stars get
and on the nights so blue
And then I go and spoil it all by saying something stupid

C7 G7 C7 G7

I'm feeling mighty lonesome

Haven't slept a wink

I walk the floor and watch the door

And in between I drink

Black coffee

Love's a hand me down brew

I'll never see a Sunday

In this weekday room

I'm talking to the shadows

One o'clock to four

And Lord, how slow the moments go

When all I do is pour

Black coffee

Since the blues caught my eye

I'm hanging out on Monday

My Sunday tear's too dry

Now a man is born to go a lovin'

A woman's born to weep and fret

To stay at home and tend her oven

And drown her past regrets

In coffee and cigarettes

Black Coffee

Blueberry Hill

13

I found my thrill on Blueberry Hill,
on Blueberry Hill, where I found you.
The moon stood still, on Blueberry Hill,
and lingered until my dreams came true.

The wind in the willow played
love's sweet melody,
but all of those vows we made,
were never to be

Though we're apart, you're part of me still,
for you were my thrill on Blueberry Hill.

Wonderful World

14

I see trees of green, red roses too
I see them bloom, for me and you,
And I think to myself,
what a wonderful world.

I see skies of blue and clouds of white,
The bright blessed day, the dark sacred night,
And I think to myself, what a wonderful world

The colors of the rainbow, so pretty in the sky
Are also on the faces of people goin' by
I see friends shaking hands, saying, "How do you do?"
They're really saying, "I love you." I hear

Babies cry, I watch them grow
They'll learn much more than I'll ever know,
And I think to myself what a wonderful world
Yes I think to myself, what a wonderful world.
