[Verse 1 – A]

I know I stand in line until you
think you have the time to spend an
evening with me
And if we go someplace to dance
I know that there's a chance
you won't be leaving with me

[Verse 2 – B]

And afterwards we drop into
a quiet little place and have a
drink or two
And then I go and spoil it all
by saying something stupid
like I love you

I can see it in your eyes that you
despise the same old lies
you heard the night before
And though it's just a line to you
for me it's true It never seemed so
right before

[Verse 4 – A]

I practice everyday to find some
clever lines to say
to make the meaning come true
But then I think I'll wait until the
evening gets late and I'm
alone with you

The time is right your perfume fills my

Strangers in the night

F

Fmaj7

Strangers in the night exchanging glances
Wondering in the night
What were the chances we'd be sharing love
Before the night was through

Something in your eyes was so inviting
Something in your smile was so exciting
Something in my heart told me I must have you

Strangers in the night, two lonely people
We were strangers in the night
Up to the moment when we said our first hello

Little did we know
Love was just a glance away
A warm embracing dance away

And ever since that night we've been together
Lovers at first sight, in love forever
It turned out so right for strangers in the night

Love was just a glance away
A warm embracing dance away

Ever since that night we've been together
Lovers at first sight, in love forever
It turned out so right for strangers in the night

Haven't slept a wink

I walk the floor and watch the door

And in between I drink

Black coffee

I'll never see a Sunday

In this weekday room

I'm talking to the shadows

One o'clock to four

And Lord, how slow the moments go

When all I do is pour

Black coffee

Since the blues caught my eye

I'm hanging out on Monday

My Sunday tear's too dry

Now a man is born to go a lovin'

A woman's born to weep and fret

To stay at home and tend her oven

And drown her past regrets

In coffee and cigarettes

Blueberry Hill

16

I found my thrill on Blueberry Hill,
on Blueberry Hill, where I found you.
The moon stood still, on Blueberry Hill,
and lingered until my dreams came true.

The wind in the willow played
love's sweet melody,
but all of those vows we made,
were never to be

Though we're apart, you're part of me still,
for you were my thrill on Blueberry Hill.

Wonderful World

I see trees of green, red roses too
I see them bloom, for me and you,
And I think to myself,
what a wonderful world.

I see skies of blue and clouds of white,
The bright blessed day, the dark sacred night,
And I think to myself, what a wonderful world

The colors of the rainbow, so pretty in the sky
Are also on the faces of people goin' by
I see friends shaking hands, saying, "How do you do?"
They're really saying, "I love you." I hear

Babies cry, I watch them grow
They'll learn much more than I'll ever know,
And I think to myself what a wonderful world
Yes I think to myself, what a wonderful world.
