Autumn Leaves

Dmi A7 Dmi

The falling leaves ^{Gmi C7} drift by my ^{F B} window.

I see your lips, ^{Gmi C7} the summer ^{F B} kisses,

the sunburned hands ^{Gmi A7} I used to ^{Dmi} hold.

[Intro]

Am7 D7 Am7 D7 G G G G

[Verse 1 – A]

I know I stand in line until you
think you have the time to spend an
evening with me
And if we go someplace to dance
I know that there's a chance
you won't be leaving with me

[Verse 2 – B]

And afterwards we drop into
a quiet little place and have a
drink or two
And then I go and spoil it all
by saying something stupid
like I love you

Something Stupid

[Verse 3 – C]

I can see it in your eyes that you
despise the same old lies
you heard the night before
And though it's just a line to you
for me it's true It never seemed so
right before

[Verse 4 – A]

I practice everyday to find some
clever lines to say
to make the meaning come true
But then I think I'll wait until the
evening gets late and I'm
alone with you

[Verse 5 – B]

The time is right your perfume fills my
head the stars get red
and oh the night's so blue
And then I go and spoil it all by
saying something stupid

Just a jackknife has old MacHeath, babe

Scarlet billows start to spread

Fancy gloves, though wears old MacHeath, babe

So there's never, never a trace of red,

On a sidewalk, huh huh, blue Sunday mornin' huh huh

Lies a body oozin' life

And someone's sneakin' 'round the corner

Could that someone be Mack the Knife?

Oh, that cement is just there for the weight, dear

Five'll got ten Old Macky's back in town

Strangers in the night

Strangers in the night exchanging glances
Wondering in the night
What were the chances we'd be sharing love
Before the night was through

Something in your eyes was so inviting
Something in your smile was so exciting
Something in my heart told me I must have you

Strangers in the night, two lonely people
We were strangers in the night
Up to the moment when we said our first hello

Little did we know
Love was just a glance away
A warm embracing dance away

And ever since that night we've been together
Lovers at first sight, in love forever
It turned out so right for strangers in the night

Love was just a glance away
A warm embracing dance away

Ever since that night we've been together
Lovers at first sight, in love forever
It turned out so right for strangers in the night

C7 G7 C7 G7

I'm feeling mighty lonesome

Haven't slept a wink

I walk the floor and watch the door

And in between I drink

Black coffee

Love's a hand me down brew

I'll never see a Sunday

In this weekday room

I'm talking to the shadows

One o'clock to four

And Lord, how slow the moments go

When all I do is pour

Black coffee

Since the blues caught my eye

I'm hanging out on Monday

My Sunday tear's too dry

Now a man is born to go a lovin'

A woman's born to weep and fret

To stay at home and tend her oven

And drown her past regrets

In coffee and cigarettes

Black Coffee

15

I'm moody all the morning
Mournin' all the night
And in between it's nicotine
And not much hard to fight
Black coffee
Feelin' low as the ground

Other dancers may be on the floor, dear
But my eyes will see only you
Only you have that magic technique
When we sway I go weeeeeaaaak

[Verse 4]

I can hear the sounds of violins
Long before it begins
Make me thrill as only you know how
Sway me smooth, sway me now

[Verse 5]

When marimba rhythms start to play
Dance with me, make me sway
Like a lazy ocean hugs the shore
Hold me close, sway me more

Quiet nights of quiet stars
Quiet chords from my guitar
Floating on the silence that surrounds us
Quiet thoughts and quiet dreams
Quiet walks by quiet streams
And a window that looks out on corcovado
Oh, how lovely

This is where I want to be
Here with you so close to me
Until the final flicker of life's ember
I who was lost and lonely
Believing life was only
A bitter tragic joke
Have found with you

The meaning of existence, oh my love...

The Girl From Ipanema

20

[Verse 4 – A]

Olha que coisa mais linda, mais cheia de graça
É ela menina que vem e que passa
Num doce balanço a caminho do mar

[Verse 5 – A]

Moça do corpo dourado do sol de Ipanema
O seu balançado é mais que um poema
É a coisa mais linda que eu já vi passar

[Chorus – B]

Ah, por que estou tão sozinho?
Ah, por que tudo é tão triste?
Ah, a beleza que existe
A beleza que não é só minha
Que também passa sozinha

[Verse 3 – A]

Tall, and tan, and young, and lovely
The girl from Ipanema goes walking
And when she passes, I smile,
but she doesn't see
doesn't see

Wonderful World

21

I see trees of green, red roses too
I see them bloom, for me and you,
And I think to myself,
what a wonderful world.

I see skies of blue and clouds of white,
The bright blessed day, the dark sacred night,
And I think to myself, what a wonderful world

The colors of the rainbow, so pretty in the sky
Are also on the faces of people goin' by
I see friends shaking hands, saying, "How do you do?"
They're really saying, "I love you." I hear

Babies cry, I watch them grow
They'll learn much more than I'll ever know,
And I think to myself what a wonderful world
Yes I think to myself, what a wonderful world.

Blueberry Hill

22

I found my thrill on Blueberry Hill,
on Blueberry Hill, where I found you.
The moon stood still, on Blueberry Hill,
and lingered until my dreams came true.

The wind in the willow played
love's sweet melody,
but all of those vows we made,
were never to be

Though we're apart, you're part of me still,
for you were my thrill on Blueberry Hill.
