The falling leaves ^{Gmi C7}
Drift by my window. ^{F B}
The falling leaves of red and gold. ^{Gmi A7 Dmi}

I see your lips, ^{Gmi C7}
the summer kisses, ^{F B}
the sunburned hands I used to hold. ^{Gmi A7 Dmi}

[Chorus]

Since you went away ^{A7}
the days grow long ^{Dmi}
And soon I'll hear old winter song ^{Gmi C7 F}
But i miss you most of all my darling ^{Gmi A7 Dmi Dmi/C B}
When autumn leaves start to fall ^{Gmi A7 Dmi}

[solo kytara]

Something Stupid

4

[Intro]

Am D7 Am D7 G

I know I stand in line until you
think you have the time to spend an evening with me
And if we go someplace to dance I know that there's a chance
you won't be leaving with me
And afterwards we drop into a quiet little place
And have a drink or two
And then I go and spoil it all by saying something stupid
like I love you

I can see it in your eyes that you despise the same old line
you heard the night before
And though it's just a line to you for me it's true
and never seemed so right before

I practice everyday to find some clever lines to say
to make the meaning come true
But then I think I'll wait until the evening gets late
And I'm alone with you
The time is right your perfume fills my head the stars get
and on the nights so blue
And then I go and spoil it all by saying something stupid
