

# Something Stupid

[Intro]

Am D7 Am D7 G

I know I stand in line until you  
think you have the time to spend an evening with me  
And if we go someplace to dance I know that there's a chance  
you won't be leaving with me  
And afterwards we drop into a quiet little place  
And have a drink or two  
And then I go and spoil it all by saying something stupid  
like I love you

I can see it in your eyes that you despise the same old line  
you heard the night before  
And though it's just a line to you for me it's true  
and never seemed so right before

I practice everyday to find some clever lines to say  
to make the meaning come true  
But then I think I'll wait until the evening gets late  
And I'm alone with you  
The time is right your perfume fills my head the stars get  
and on the nights so blue  
And then I go and spoil it all by saying something stupid
