

# Fly me to the moon

144 bpm

C#m7b5 = x4545x

[A]

Fly me to the moon and let me play among the stars,  
Let me see what spring is like on Jupiter and Mars;  
In other words, hold my hand;  
In other words, baby, kiss me.

[B]

Fill my heart with song, and let me sing for ever more;  
You are all I long for, all I worship and adore.  
In other words, please be true  
In other words, I love you.

[solo] A B

[A]

[outro]

Fill my heart with song, and let me sing for ever more;  
You are all I long for, all I worship and adore.  
In other words, please be true  
In other words, in other words  
In other words, I love you.
