

Fly me to the moon

144 bpm

C#m7b5 = x4545x

[A]

Fly me to the moon and let me play among the stars,
Let me see what spring is like on Jupiter and Mars;
In other words, hold my hand;
In other words, baby, kiss me.

[B]

Fill my heart with song, and let me sing for ever more;
You are all I long for, all I worship and adore.
In other words, please be true
In other words, I love you.

[solo] A B

[A]

[outro]

Fill my heart with song, and let me sing for ever more;
You are all I long for, all I worship and adore.
In other words, please be true
In other words, in other words
In other words, I love you.
