

Black Coffee

I'm feeling mighty lonesome

Haven't slept a wink

I walk the floor and watch the door

And in between I drink

Black coffee

Love's a hand me down brew

I'll never see a Sunday

In this weekday room

I'm talking to the shadows

One o'clock to four

And Lord, how slow the moments go

When all I do is pour

Black coffee

Since the blues caught my eye

I'm hanging out on Monday

My Sunday tear's too dry

Now a man is born to go a lovin'

A woman's born to weep and fret

To stay at home and tend her oven

And drown her past regrets

In coffee and cigarettes

Black Coffee

I'm moody all the morning
Mournin' all the night
And in between it's nicotine
And not much hard to fight
Black coffee
Feelin' low as the ground

It's driving me crazy just waiting for my baby
To maybe come around

My nerves have gone to pieces

My hair is turning gray

All I do is drink black coffee

Since my man's gone away
