

My Way

75 bpm

And now the end is near
And so I face the final curtain
My friend, I'll say it clear
I'll state my case of which I'm certain

I've lived a life that's full
I've travelled each and every highway
And more, much more than this
I did it my way

Regrets, I've had a few
But then again, too few to mention
I did what I had to do
And saw it through without exemption

I planned each charted course
Each careful step along the byway
And more, much more than this
I did it my way

[Chorus]

Yes there were times, I'm sure you knew
When I bit off more than I could chew
But through it all when there was doubt

My Way

75 bpm

I ate it up and spit it out
I faced it all, and I stood tall
And did it my way

I've loved, I've laughed and cried
I've had my fill, my share of losing
And now as tears subside
I find it all so amusing
To think I did all that
And may I say, not in a shy way
No, oh no not me
I did it my way

[Chorus]

For what is a man, what has he got
If not himself, then he has naught
To say the things, he truly feels
And not the words of one who kneels
The record shows, I took the blows
And did it my way
