75 bpm

And now the end is near  
And so I face the final curtain  
My friend, I'll say it clear  
I'll state my case of which I'm certain

I've lived a life that's full  
I've travelled each and every highway  
And more, much more than this  
I did it my way

Regrets, I've had a few  
But then again, too few to mention  
I did what I had to do  
And saw it through without exemption

I planned each charted course  
Each careful step along the byway  
And more, much more than this  
I did it my way

[Chorus]

Yes there were times, I'm sure you knew  
When I bit off more than I could chew  
But through it all when there was doubt

I ate it up and spit it out  
I faced it all, and I stood tall  
And did it my way

I've loved, I've laughed and cried  
I've had my fill, my share of losing  
And now as tears subside  
I find it all so amusing  
To think I did all that  
And may I say, not in a shy way  
No, oh no not me  
I did it my way

[Chorus]

For what is a man, what has he got  
If not himself, then he has naught  
To say the things, he truly feels  
And not the words of one who kneels  
The record shows, I took the blows  
And did it my way
