I'm feeling mighty lonesome  
Haven't slept a wink  
I walk the floor and watch the door  
And in between I drink  
Black coffee  
Love's a hand me down brew  
I'll never see a Sunday  
In this weekday room

I'm talking to the shadows  
One o'clock to four  
And Lord, how slow the moments go  
When all I do is pour  
Black coffee  
Since the blues caught my eye  
I'm hanging out on Monday  
My Sunday tear's too dry

Now a man is born to go a lovin'  
A woman's born to weep and fret  
To stay at home and tend her oven  
And drown her past regrets  
In coffee and cigarettes

# Black Coffee

I'm moody all the morning  
Mournin' all the night  
And in between it's nicotine  
And not much hard to fight  
Black coffee  
Feelin' low as the ground

It's driving me crazy just waiting for my baby  
To maybe come around

My nerves have gone to pieces

My hair is turning gray

All I do is drink black coffee

Since my man's gone away
