[Intro]
       Am7 D7 G G G
Am7 D7
[Verse 1 - A]
I know I stand in line until you
think you have the time to spend an
              D7
                    Am7
evening with me
                   D7
    Am7
And if we go someplace to dance
    Am7
I know that there's a chance
              G
you won't be leaving with me
[Verse 2 - B]
And afterwards we drop into
    G7
a quiet little place and have a
  Cmaj7
               Cm7
drink or two
                    D7
     Am7
And then I go and spoil it all
by saying something stupid
like I love you
```

Something Stupid

```
[Verse 3 - C]
I can see it in your eyes that you
despise the same old lies
               Cmai7
you heard the night before
And though it's just a line to you
for me it's true It never seemed so
right before
[Verse 4 - A]
I practice everyday to find some
clever lines to say
                                D7
                                       Am7
                                             D7
             Am7
to make the meaning come true
But then I think I'll wait until the
            D7
evening gets late and I'm
alone with you
[Verse 5 - B]
     G
The time is right your perfume fills my
head the stars get red
                            Cm7
            Cma<sub>1</sub>/
and oh the night's so blue
And then I go and spoil it all by
 Am7
saying something stupid
like I love you
```
