[Verse 1]
                   F#m7
    Em7
                               H7
                                       Em7 A7
The shadow of your smile, when you are gone,
                              D7
                   Am7
                                        Gmai7
                                               Cmaj7
Will colour all my dreams and light the dawn.
[Bridge]

               F#m7b5 H7
                                   Em7 Em/D
   Look into my eyes, my love, and see,
                 C#m7b5
                            F#7b9
                                         F#m7b5 H7
 All the lovely things you are,
                                    to me.
[Verse 2]
                   F#m7
                                       Em7 A7
                               H7
Our wistful little star, was far too high,
                        Am7 D7 Hm7b5 E7
A teardrop kissed your lips, and so did I.
[Chorus]
                           Am/H Cm7
           Am7
Now when I remember spring,
                                E7
                 Hm7
All the joy that love can bring,
                       Am7
I will be remembering,
    D7
The shadow of your smile.
[Instrumental]
[Chorus]
