[Chorus]
Hey watermelon man
Hey watermelon man
[Verse 1]
Bring me one that rattles when you lug it
One that's erd and juicy when you plug it
Do you understand watermelon man
[Chorus]
Hey watermelon man
Hey watermelon man
[Verse 2]
Hot and bothered, need a little cooling
When I hear your call I start to drooling
Do you understand? Watermelon man
[Bridge]
So sweet, so cool and so red
So green and so nice
Cool you down, just like ice
Take a taste, and see why
If you hot, or dry, just take a slice. Eat your fill
Cool you down! Yes it will
[Chorus]
