Blueberry Hill

```
I found my thrill on Blueberry Hill,

G ON Blueberry Hill, where I found you.

F C F C

The moon stood still, on Blueberry Hill,

G ON C

The wind in the willow played

G ON C

The wind in the willow played

G ON C

The wind in the willow played

G ON C

The wind in the willow played

G ON C

The wind in the willow played

G ON C

Though we're apart, you're part of me still,

G ON C

Though we're apart, you're part of me still,

G ON C

Though we're apart, you're part of me still,

G ON C

Though we're apart, you're part of me still,

G ON C

Though we're apart, you're part of me still,

G ON C

Though we're apart, you're part of me still,

G ON C

Though we're apart, you're part of me still,

G ON C

Though we're apart, you're part of me still,

G ON C

Though we're apart, you're part of me still,

G ON C

Though we're apart, you're part of me still,

G ON C

Though we're apart, you're part of me still,
