## Strangers in the night

```
[Intro]
F D#7 B7 C C7
   F
                       Fmaj7
                             exchanging glances
Strangers in the night
Wondering in the night
What were the chances we'd be sharing love
                        Gm
Before the night was through
Gm7
Something in your eyes was so inviting
Something in your smile was so exciting
 C7
                                            Fmaj7
Something in my heart told me I must have you
Am7-5
Strangers in the night, two lonely people
           D7
We were strangers in the night
                          Gm7
Up to the moment when we said our first hello
 Bm6
Little did we know
                  Dm7
Love was just a glance away
   Gm7
A warm embracing dance away
    Fmai7
And ever since that night we've been together
Lovers at first sight, in love forever
Gm7
                       C7
It turned out so right for strangers in the night
Love was just a glance away
A warm embracing dance away
Ever since that night we've been together
Lovers at first sight, in love forever
It turned out so right for strangers in the night
```
