## Raindrops keep fallin' on my head

```
[Intro]
          Bb
[Verse 1]
                                Fma i 7
Raindrops keep falling on my head
                                         Bb
and just like the guy whose feet are too big for his bed,
                            D7
                                     Gm7
nothing seems to fit, Those raindrops are fallin' on my hea
[Verse 2]
                                           Fmaj7
So I just did me some talkin' to the sun,
                                                      Ami
and I said I didn't like the way he got things done
                               Gmi7
                   Ami
                           D7
Sleepin' on the job, Those raindrops are fallin' on my head
[Chorus]
                   F
                             Fmaj7
But there's one thing I know,
the blues they send to meet me, won't defeat me
                                                          Bk
It won't be long till happiness steps up to greet me
[Verse 3]
                                 Fmai7
Raindrops keep fallin' on my head,
                                       Bb
but that doesn't mean my eyes will soon be turnin' red,
                   Ami
                          D7
                                   Gmi7
Cryin's not for me, cause I'm never gonna stop the rain by
because I'm free, nothings worryin' me
[interlude]
