Blueberry Hill

```
I found my thrill on Blueberry Hill,

G on Blueberry Hill, where I found you.

F C F C

The moon stood still, on Blueberry Hill,

G and lingered until my dreams came true.

G C F C

The wind in the willow played

G C F C

Love's sweet melody,

D7 G

but all of those vows we made,

D7 G

were never to be

G7 F C

Though we're apart, you're part of me still,

G F C

for you were my thrill on Blueberry Hill.
