A kytara
B zpěv
AB solo housle
AB solo kytara
[introl
Gm C7 Gm
[verse 1 - A]
             Cm
                   F7
                                    В
                                           Eb
The falling leaves
                       drift by my window.
                   D7
             Cm
                        of red and gold.
The falling leaves
                   F7
                                   В
                                         Eb
            Cm
I see your lips,
                        the summer kisses,
                   D7
               Cm
                                  Gm
the sunburned hands
                        I used to hold.
[chorus - B]
           D7
                                    Gm
Since you went away the days grow long
               Cm F7
And soon I'll hear old winter song
                                     Gm/F Eb
           D7
                               Gm
But i miss you most of all my darling
When autumn leaves start to fall
[solo kytara – A]
[chorus - B]
Since you went away the days grow long
And soon I'll hear old winter song
But i miss you most of all my darling
When autumn leaves start to fall
[solo housle A B]
[solo kytara A B]
