You give your hand to me and then you say, "Hello."

and I can hardly speak, my heart is beating so.

VERSE 2
No you don't know the one
who dreams of you at night
and longs to kiss your lips
and longs to hold you tight
To you I'm just a friend, that's all I've ever been.
                              C
Cause you don't know me.(no you don't know me)
BRIDGE
               Cdim7
For I never knew the art of making love,
          G7
Though my heart aches with love for you.
                    Emi
Afraid and shy, I let my chance go by.
D7
                                       G+
A chance that you might love me too.
                                           (love me too)
VERSE 3
You give your hand to me,
And then you say, "Goodbye."
I watched you walk away,
Beside the lucky guy
Oh, you'll never know
The one who loved you so.
Well, you don't know me
