[Verse 1]
          В
                                Cm
Oh, the shark, babe, has such teeth, dear
And it shows them pearly white
Just a jackknife has old MacHeath, babe
And he keeps it out of sight
[Verse 2]
                                          Cmi
                      В
You know when that shark bites with his teeth, babe
Scarlet billows start to spread
                                     Cmi
Fancy gloves, though wears old MacHeath, babe
So there's never, never a trace of red,
oh, let it swing, yeah
[Verse 3]
                             C#mi
On a sidewalk, huh huh, blue Sunday mornin' huh huh
         F#7
Lies a body oozin' life
                 G#mi
And someone's sneakin' 'round the corner
Could that someone be Mack the Knife?
[Verse 4]
                                Dmi
There's a tugboat down by the river, don't you know?
Where a cement bag, just dropping on down
           Ami
                                         Dmi
Oh, that cement is just there for the weight, dear
Five'll got ten Old Macky's back in town

[Verse 5]
                                         D#mi
D'ja hear 'bout Louie Miller? He disappeared, babe
After drawin' out all his hard-earned cash
             A#mi
And now MacHeath spends just like a sailor
Could it be our boy done somethin' rash?
[Verse 6]
                                  Emi
        D
