Fm6 = x5656x

A place inside my heart Is where you live
Memories of our start The love you give
Days when we're alone And you are in my arms
The blueness of the trueness of our love

Nights of moonlit skies A gentle kiss
Something in your eyes Fills me with bliss
Hold me in your arms And then I will recall
The blueness of the trueness of our love

solo 2x

How can I forget the night we've had
All the warm desire, the love we've spent
All the warm desire The fire in your touch
The blueness of the trueness of our love

Place inside my heart, that is where you live
The memories of our style, love you give
Days when we're alone And you are in my arms
The blueness of the trueness of our love
The blueness of the trueness of our love
The blueness of the trueness of our l-o-o-o-ve
