My Way

75 bpm

```
   D                Dmaj7
And now the end is near
          D7                H7
And so I face the final curtain
      Em7                   Em7/D
My friend, I'll say it  clear
                Em7/C#   A7       D
I'll state my case of which I'm certain

      D                            D7
I've lived     a life that's full
                G                  Gm
I've travelled each and every highway
     D                       A
And more, much more than this
   Asus4  G  D
I did it my way

   D                   Dmaj7
Regrets, I've had a few
            D7                  H7
But then again, too few to mention
   Em7                Em7/D
I did what I had to do
             Em7/C#      A7     D
And saw it through  without  exemption

     D                     D7
I planned each charted course
                G               Gmi
Each careful step along the byway
    D                        A
And more, much more than this
   Asus4  G  D
I did it my way

[Chorus]
 A               D                        D7
Yes there were times, I'm sure you knew
            G                          Gsus4
When I bit off more than I could chew
                Em                  A7
But through it all when there was doubt
```

My Way

75 bpm

```
          F#m              Hm
I ate it up and spit it out
            Em                  A
I faced it all, and I stood tall
     Asus4  G  D
And did it my way

       D                        Dmaj7
I've loved, I've laughed and cried
            D7                    H7
I've had my fill, my share of losing
    Em7             Em7/D
And now as tears subside
          Em7/C#  A7   D
I find it all     so amusing
     D                    D7
To think     I did all that
            G                   Gm
And may I say, not in a shy way
 D             Asus4
No, oh no not me
          G  D
I did it my way

[Chorus]
       A        D                  D7
For what is a man, what has he got
            G
If not himself, then he has naught
            Em7                 A7
To say the things, he truly feels
              F#m                Hm7
And not the words of one who kneels
            Em7                   A
The record shows, I took the blows
            G  D
And did it my way

A  D  Db  D  D7  G  Gm  D  D/Db  Hm

 A           G   D
Yes, it was my way
```
