^{Em7} I did what I had to do ^{Em7/D}
^{Em7/C#} And saw it through without exemption ^{A7} ^D

My Way

75 bpm

I ate it up and spit it out
I faced it all, and I stood tall
And did it my way

I've loved, I've laughed and cried
I've had my fill, my share of losing
And now as tears subside
I find it all so amusing
To think I did all that
And may I say, not in a shy way
No, oh no not me
I did it my way

[Chorus]

For what is a man, what has he got
If not himself, then he has naught
To say the things, he truly feels
And not the words of one who kneels
The record shows, I took the blows
And did it my way
